## *Our Faculty*

**Special Agent Robert E. White II**, having transferred in January 2003, is one of the newer agents to the Cincinnati Division of the FBI. Originally from Woodbridge, VA, Rob grew up learning computers, attending his first college-level programming course at age 10. He enlisted in the Navy in 1989, received an appointment to the US Naval Academy in 1990 and graduated in 1994 with a Bachelors degree in Computer Science.

During his 8 years a Naval officer, Rob served as a Surface Warfare Officer with an Air Warfare/Electronic warfare specialty, Naval Parachutist, Navy Diver and Cryptologist. From 1996 until joining the FBI in 2002, he ran his own business developing Internet applications. He is a Microsoft Certified Systems Engineer and Microsoft Certified Professional + Internet.

**Robert A. White,  
Special Agent**

In Ohio, Rob is the Coordinator for the Cyber Crime Task Force of Central Ohio, Coordinator for Columbus Chapter of InfraGard, and member of the Cyber crime squad. His case experience involves child pornography/exploitation, computer intrusion, Internet extortion, counterterrorism and counterintelligence.

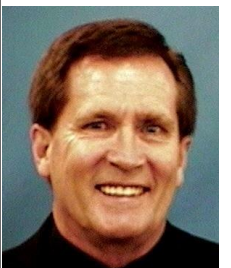

**James W. Davis**

**James W. Davis** is an Associate Professor in the Department of Computer Science and Engineering, Ohio State University. His research focus is the development of an advanced video surveillance system that uses computers equipped with video cameras to detect, track, and analyze the behavior patterns of people. His research employs optical CCTV and thermal/infrared cameras along with machine learning methods to enable the computer to perform the kind of visual tasks that seem effortless for humans. Davis' research has been funded by the National Science Foundation, U.S. Air Force, U.S. Army Night Vision Laboratory, Intel, and the State of Ohio.

**William A. Cummins**

**William Cummins**, CHS-V Biological Safety/Disaster Preparedness & Facilities Safety Coordinator for Case Western Reserve University. Responsible for plant safety (plant is all skilled tradesmen/women and hourly employees), hazardous materials, emergency response, respiratory program (including writing of the program, training staff, faculty and students with fit testing). Mr. Cummins is also responsible for terrorism and emergency preparedness, physical safety of the campus facilities with overall life safety for the staff and student population, regulatory compliance for DOT, IATA, OSHA, EPA, FBI, APHIS and USDA. I hold professional memberships in The Northern Ohio Chapter of Health Physics, American College of Forensic Examiners Institute and Northern Ohio Chapter of Industrial Hygienists. Mr. Cummins has 17 cumulative years of diverse experience in the trucking industry, and 10 years specializing in hazardous material emergency response, site safety, accident investigation employee safety training.

**Herman Statum**

**Herman Statum, MS , CPP , CFE , CHS-V, DABCHS , PI** is a recognized authority on homeland security and he serves as a member of the Executive Advisory Board of the American Board for Certification in Homeland Security. He is board certified in homeland security at the highest level (CHS-V) and lectures on assets protection and emergency planning to various professional groups. Mr. Statum is board certified in security management as a Certified Protection Professional (CPP) ,is board certified as a Certified Fraud Examiner (CFE) and he is licensed as a Private Investigator (PI) . He has a B S degree from Middle Tennessee State University where he was a Distinguished Military Graduate and a Kappa Delta Pi member. Mr. Statum has a Master of Science degree, with highest honors, from the University of Southern California. He is a graduate of the U.S. Army Command and General Staff College and a graduate of the United Kingdom Joint Warfare Establishment. Mr. Statum received special training in counter terrorism and chemical, biological and radiological weapons systems and he managed the protection of diplomatic officials and senior military leaders in a high-threat international environment.

# Welcome to the Makoy Center

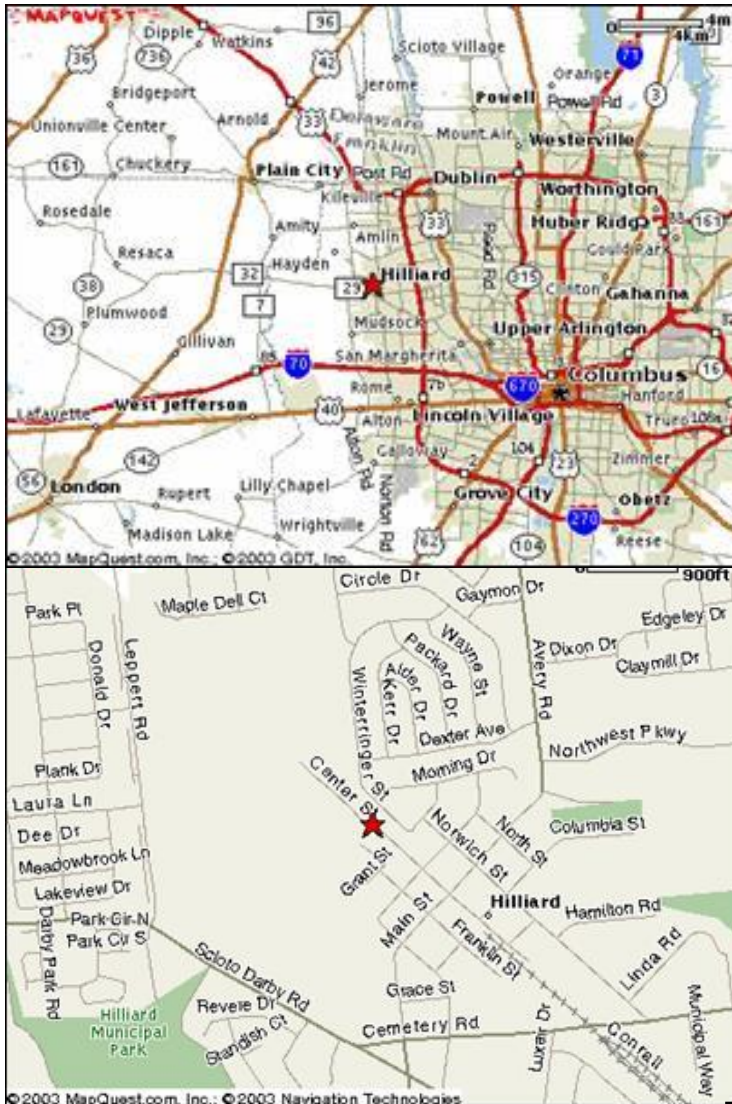

Located in scenic Old Hilliard, the Makoy Center is the largest Privately Owned Convention Center and Banquet Facility in Central Ohio. With 30,000 total square feet, a capacity of 1800 guests, staging and a state of the art sound system; the facility is perfect for our seminar and exhibits.

Free parking is provided on the site.

Michael graduated cum laude from Boston College with a B.A. in Communications.

He and his wife, Karen, reside in Columbus. They have two daughters.

## *The Exhibits*

Exhibits are an integral part of the learning experience at the Annual Seminar & Exhibits. Each year dozens of local, regional, and national companies display the products and services that solve problems, improve security, and save money. This year an estimated 45 companies will be exhibiting products and services in an expanded exhibit area. Here is a partial list of exhibitors from the 27th Annual Seminar & Exhibits held in 2006:

Acree Daily Integrated Systems Group	IR Security and Safety (Ingersol Rand)	Premier Marketing Associates
AMAG Technology	Jones Marketing	Securitas
Anixter, Inc.	KBR Marketing	Security Corporation
BDA	Koorsen Fire and Safety	Security Technology and Design
Bosch Security Systems	Lenel Systems International	Siemens Building Technologies
Central Ohio Crime Stoppers	Master Lighting Services	Sound Communications
Dempsey Electronics	Matrix Systems	SR Marketing
Electrocomm Columbus Corp.	Monfort Electronic Marketing	Trico Security
GE Security	Northwestern Ohio Security Systems	Validex Employment Screening Services
ID Card Systems	OCPA	Weller Electronic Sales

## *The Corporate Sponsors*

Corporate Sponsors make it possible for the Columbus Chapter's Annual Seminar & Exhibits to be a first class event. We salute these companies and organizations who have provided financial support to us in 2007.

Acree-Daily	The Ohio State University	The Wackenhut Corporation
JP Morgan Chase	Securitas Security Services USA	Validex Employment Screening Services
The Columbus Dispatch	Security/Risk Management Consultants	Security Technology and Design

## *Continuing Education Credits*

ASIS International will award one credit to Certified Protection Professionals (CPP's) for attending a one day ASIS Chapter seminar. The Association of Certified Fraud examiners (CFE's) will award one continuing professional education credit for each hour of instruction. The American Banker's Association will award up to 4 hours of credit to Certified Financial Security Services Professionals (CFSSP's) for this program

# We Have an Eye for Accuracy

Our hit rates confirm our unsurpassed accuracy. How do we achieve that?

The key: We pull actual court records to ensure that we get the most complete, up-to-date information. And we continuously audit hit rates for sustained, high-level performance.

We top this off with technology that ensures accurate screening requests.
